After it submits, you get a confirmation message and the first accordion expands

Welcome aboard!
Get started below…

How to Replicate a Bug

1 Find a bug that "Needs Diagnosis"

2 Make sure you have the same browser/OS running

3 See if you can replicate

4 Write a comment on the issue confirming or denying that you can replicate

Browse Issues | Needs Diagnosis | Ready for O...

Needs Diagnosis

Issue 206: www.fbi.gov - mobile site does not load by default
Opened: 2014-07-26, comments: 0

Issue 205: twitter.com - Impossible to log-in to Twitter
Opened: 2014-07-24, comments: 2

Issue 204: voyages-sncf.com - Login page always firefox
Opened: 2014-07-24, comments: 1

Issue 203: www.linkedin.com - Grey screen after login
Opened: 2014-07-24, comments: 2

Site owner: No

Steps to Reproduce:
1) Navigate to: https://twitter.com/
2) Try login to twitter using Firefox 30.0

Expected Behavior: Login to twitter without fail
Actual Behavior: When trying to log in the page refresh and user still offline with no error message about misspelled password.
Only happen on Firefox, tested on Chrome

Labels

I'm not able to replicate this.
